RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN CERTIFICATION

Loudoun County will replace all occupied and vacant occupiable low-, moderate-and middle-income (LMMI) dwelling units demolished or converted to a use other than as LMMI dwelling unit as a direct result of activities assisted with funds provided under the *Housing and Community Development Act of 1974*, as amended. All replacement housing will be provided within three (3) years of the commencement of the demolition or rehabilitation relating to conversion.

Before obligating or expending funds that will directly result in such demolition or conversion, Loudoun County will make public and advise the state that it is undertaking such an activity and will submit to the state, in writing, information that identifies:

- 1. A description of the proposed assisted activity;
- 2. The general location on a map and approximate number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than as LMMI dwelling units as a direct result of the assisted activity;
- 3. A time schedule for the commencement and completion of the demolition or conversion;
- 4. The general location on a map and approximate number of dwelling units by size (number of bedrooms) that will be provided as replacement dwelling units;
- 5. The source of funding and a time schedule for the provision of replacement dwelling units;
- 6. The basis for concluding that each replacement dwelling unit will remain a LMMI dwelling unit for at least 10 years from the date of initial occupancy; and
- 7. Information demonstrating that any proposed replacement of dwelling units with smaller dwelling units is consistent with the housing needs of LMMI households in the jurisdiction.

Loudoun County will provide relocation assistance to each LMMI household displaced by the demolition of housing or by the direct result of assisted activities. Such assistance shall be that provided under Section 104 (d) of the *Housing and Community Development Act of 1974*, as amended, or the *Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970*, as amended.

Loudoun County FY 2009-2010 project includes the following activities:

Loudoun County will acquire, rehabilitate and sell foreclosed properties to Low Moderate and Middle Income clients (not to exceed 120% Area Median Income) in the three designated neighborhoods located in the Sterling Park and Sugarland communities.

The activities as planned will not cause any displacement from or conversion of occupiable structures. As planned, the project calls for acquisition, rehabilitation, resale and financing mechanisms for purchase of residential dwellings by low- to moderate- to middle income households. Loudoun County will work with the grant management staff, engineers, project area residents, and the Department of Housing and Community Development to insure that any changes in project activities do not cause any displacement from or conversion of occupiable structures.

In all cases, an occupiable structure will be defined as a dwelling that meets local building codes or a dwelling that can be rehabilitated to meet code.
